

## OTC use in Norway for propylene glycol, ATC-code: D02AX

- This OTC substance report is based on the assessment of the OTC indication and posology for products containing propylene glycol. It defines the preferred Norwegian wording for the package leaflet and labelling for OTC products containing propylene glycol. In addition, an overview of the approvable strength(s), pharmaceutical form(s) and pack size(s) exempt from medical prescription in Norway is included.
- The proposed OTC indication and posology in the OTC package leaflet and labelling must be covered by the information approved in the corresponding SmPC.

### Preparations for cutaneous use, up to 250 mg/g

#### 1. Package leaflet

##### 1.1 Indication

Til voksne og barn: lindrer tørr hud.
